Florence Fuller Celebrates 40 years of Excellence

Boca Raton – February 10, 2011 – Florence Fuller Child Development Centers (FFCDC) is having a birthday party on March 3rd, 2011 to celebrate 40 years of make a positive difference in the lives of young children from economically challenged families in our community. The Centers provide quality childcare, early education, family support programs, and the only Head Start preschool in Boca Raton. We prepare children for a lifetime commitment to learning and social achievement, while empowering their families to build a brighter future.

To memorialize the very special anniversary, a 40th year logo has been designed featuring the new motto: Excellence! Doug Paton, FFCDC's CEO says, Florence Fuller has had an enormous impact for thousands of children right in this community. For 40 years, children who would normally not have the opportunity to go to preschool, afterschool or summer camp, have received care and education from exceptional teachers. Without FFCDC, these children would have started school less prepared for success, which could lead to never catching up academically with their more advantaged peers. We aim for excellence everyday and our record shows that we make a difference.”

The 40th 's kickoff festivities will feature the Deputy Vice Mayor, Susan Haynie delivering a proclamation from the City of Boca Raton commemorating FFCDC;'s 40th year. Also included that day are tours of the school, children's performances, birthday cake, and a display of 40 years of photos from the FFCDC archives. Additional events to celebrate the 40th are now being planned for the remainder of the year.
